## Prize Cups of Beauty and Distinction

LOVERS OF THE HORSE admire the thoroughbred because of the magnificent life and action which he displays. Because of this admiration, when giving trophies in a competition such as the present horse-show, they desire only those which exhibit lines of beauty and grace. The cut below shows one of the many handsome designs which we can supply.

The best designers, the most efficient workmen, the finest material, the most reasonable prices, are some of the qualities which recommend our prize-cups and trophies to the sport-loving public. We make up special designs submitted by customers, and also copy local scenes from photographs if desired.

## Candy and Cigar Departments

Besides the fact that there is a Gordon Mitchell Store convenient to any part of the city let us tell you other reasons why the Gordon Mitchell Candy and Cigar Counters are recognized as the proper places to patronize

**The Candies we sell**—If you once acquire a taste for either Johnston's or Huyler's Candies you can't be fooled into taking a substitute. They are the acme of perfection in candy, and are sold only at Gordon Mitchell's.

**The Cigars we sell** are the kinds that please critical smokers. Right smoking is a necessity not a luxury. It soothes the nerves and satisfies a longing that nothing else will do. At least Gordon Mitchell's cigars do.
